STAT

Thank you very much for your letter of 20 July and the enclosed biographic information.

We are looking into the possibilities of employment for you here and I have arranged for one of our representatives to get in touch with you very shortly. Just at the moment, we do not have many openings except in the general secretarial grades, as we are reducing our personnel strength in order to effect economy in our operations. However, this does not mean that there is not an opportunity for the exceptional person. In any event, I appreciate your writing to me about this and hope that something may come of it.

I might tell you that I did hear from [redacted] and sent her a little note in reply.

With kindest regards.

Sincerely,

SIGNED
